

DirectedLINK's *FLEX* Certain Help For Uncertain Times

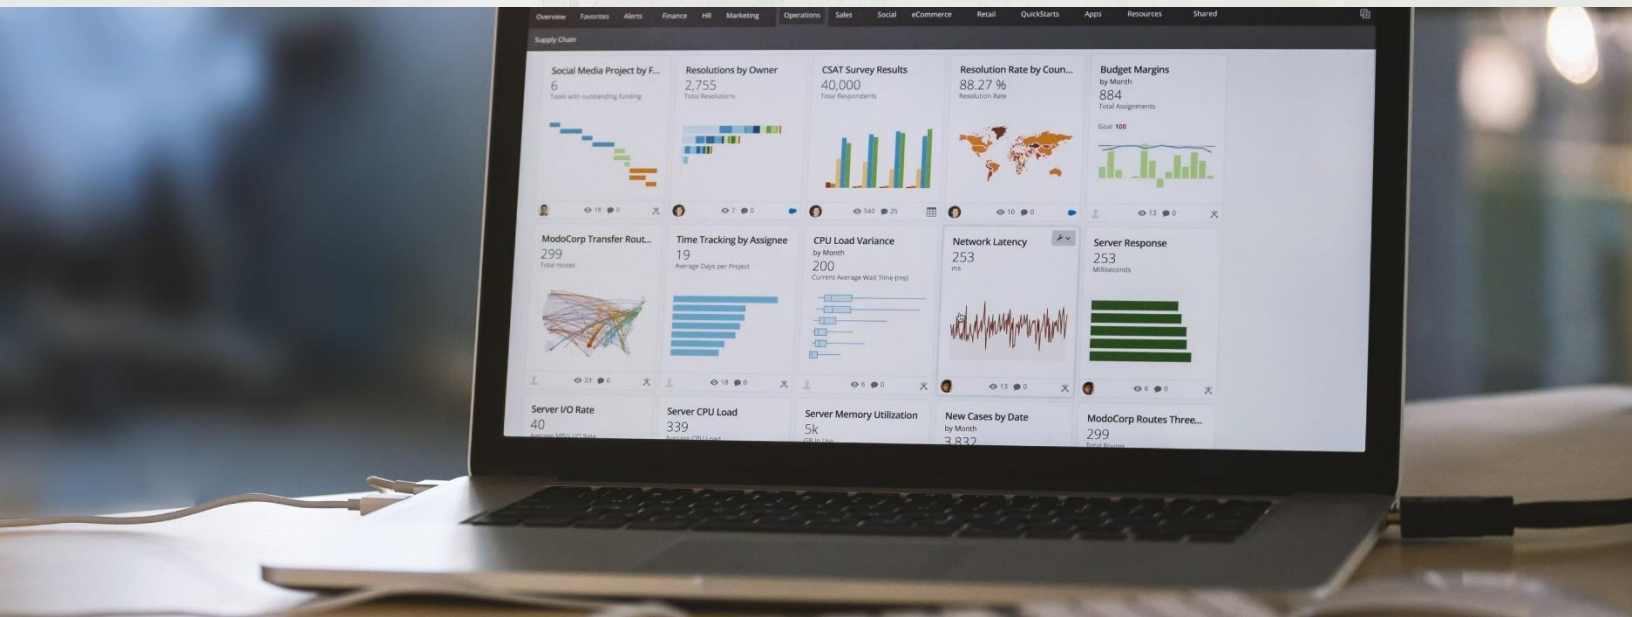

How Your Company Can Thrive Beyond COVID19

Making your way in the post-pandemic world can be a challenge. DirectedLINK's *FLEX* service is here to help you through these times.

You run your business. *FLEX* takes care of your employees. *FLEX* can even help you bring back laid off or furloughed employees while staying.....well, flexible.

Why Use Our *FLEX* Hiring Services?

FLEX can onboard new hires. Keep your current top talent in place while *FLEX* takes care of the employee administrative work. We take help administer the screening, interview, and selection process, then handle all the on-boarding paperwork – including payroll and deductions. You get the employees you need, when and where you need them, without the hassles of the hiring process.

Reduce Employment Costs

FLEX complies with the employment laws in all 50 states, greatly reducing your liability and risk exposure. We take the legal liabilities of being the employer of record. Just a few of the issues we handle are HR, time off, insurance, worker's comp and employee tracking. We align employees to your business model so you can focus on your business.
